Dear Friends,

I would like to thank the Son's of Confederate Veterans Camp 1708 for your donation to the Arizona State Veteran Home. The 172 decks of playing cards that were donated will be appreciated by our veterans. Our veterans have many needs which can only be met through generous donations such as yours.

Thank you for thinking of us and assisting us in making our veteran home the best place it can be.

Kind Regards,

A handwritten signature in cursive script that reads "Colleen Rundell".
